Basement bar with space for 40 standing

Basement bar

Ground floor

HAVE A DRINK

There's a lot of Gin (50) and there's a lot of beer (20). We do wines, cocktails and spirits too so just let us know if you're looking for something special for your party and we'll make it happen for you.

TUCK IN

Let's keep it casual: Easy sharing finger foods that can be served by the team or set around the room.

There's a burger & chicken selection for those wanting a more substantial fill.

Or sit for a family style 3 course feasting menu for up to 40 people.

Full menu is on page 6

BRING YOUR FRIENDS

The ground floor, glass fronted bar has space for up to 100 of your nearest and dearest for a private event.

For a more intimate party you can hire the basement cocktail bar for up to 40 friends, bring a DJ and make the night your own.

A FEW EXTRAS

On the ground floor there's a built in projector for stills and moving footage, just bring along a laptop and we'll connect it all up. Security is included in all private hires and for parties in the basement we can even help you to hire a DJ.

Normally licensed to midnight we can extend opening times to 2am.

USE US

Parties are welcome for any rhyme or reason: product launches and summer parties or birthdays and engagements. Feel free to decorate the walls and windows to display your wares.

RATES

There is no hire fee in Ask for Janice, instead we work on a minimum spend basis which varies throughout the year depending on the day of the week you choose and whether you're in the basement or taking over the whole venue. Rates start from just £500 and there is no hire fee to pay.
